MEMORIES FROM SHOW CHOIR CAMPS OF AMERICA 2026

Eight Jag Singers and Two of our Directors attended this wonderful yearly event from June 14th - 20th as they rode a bus all the way up to Rock Island, Illinois, to attend Augustana College for an unforgettable week.

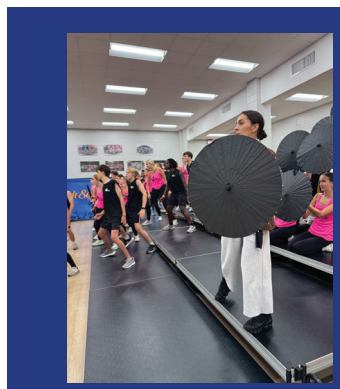

June was a busy month for our directors and students as they prepared for the upcoming year by finalizing show choir shows and costumes, selecting concert music, and mapping our rehearsals for each ensemble! But planning wasn't the only highlight of this month.

SCA always proves itself to be a wonderful time of building friendships, learning from the best of the best, and witnessing as well as participating in some of the best show choir performances one could experience!

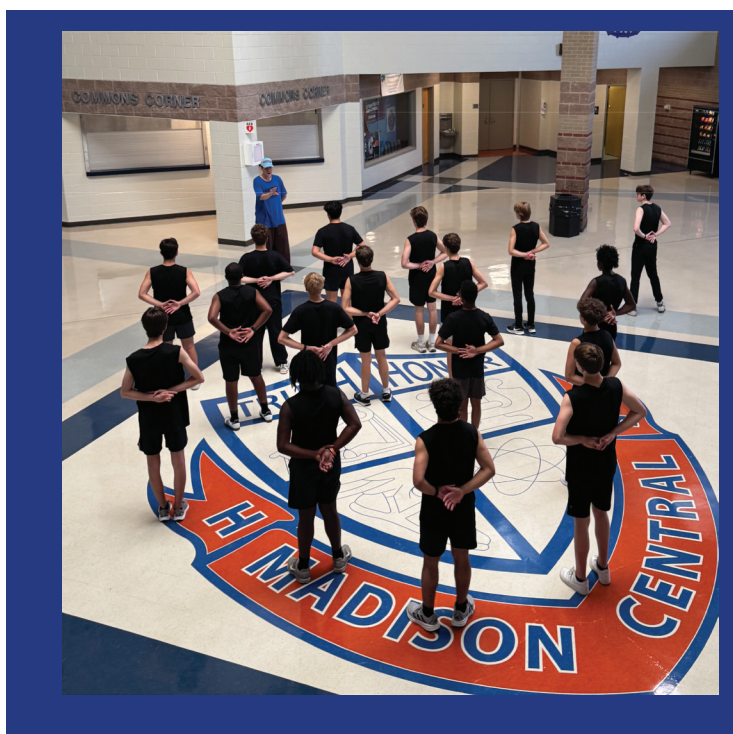

Show Choir Camps of America (Illinois) made for a wonderful event for our students and directors!

Presents, Practices, and Prep Days!

The Perfect End to a Jag Singers Summer!

As for some other important notes...

Members of our A Cappella group, Renaissance, gave a beautiful rendition of our National Anthem for our JagZone Teacher's Convocation on July 28th.

Later that same afternoon, we enjoyed a nice Retreat with our show choir students, who strengthened their relationships through fellowship, team-building, and of course... Singing and Dancing!

Lastly, on the first day of classes our directors had to opportunity to announce our students of the month for July, Emma Agent and Conner Quinn. These students have shown incredible leadership, as they have found ways to go above and beyond in and out of rehearsals.

We are wishing all of our students a wonderful back to school, and are looking forward to the exciting things that are yet to come for this program!
